

National Ride2School Day

Where: Meet at the start of **Riverside Drive**, just up from the West End Sailing Club.

When: **Friday 19 March 2021**, meet at **7:45am** for an 8:00am departure

The planned route will start at Riverside Drive at the gated access near Brisbane and GPS rowing Club (end of Forbes St), ride along the river and then up Jane Street to cross Montague Rd at the lights. We will then continue along Jane St and enter the school through the Jane St vehicle gate. Police will be present to assist us in crossing Montague Rd.

Students who currently ride to school unaccompanied and are confident riding in a group are welcome to join the group, otherwise we would expect that an adult would accompany students for the ride. All riders participate at their own risk.

Looking forward to seeing lots of enthusiastic riders in the morning!
