Leadership Passport

At West End State School all students have the opportunity to take on the role of a leader and the responsibilities that come with it. Leadership does not come naturally but is developed through many activities and lessons we are involved in not only at school but in our everyday lives.

The WESS Leadership Passport recognises the development and accomplishments on the road to becoming a leader. The Passport is open to all Year 6 students and on successful completion of the Passport, students will be eligible for a badge that recognises their achievements and the responsibilities that are associated with being a leader.

Only students who successfully complete the Leadership Passport by the end of November Year 6 will be able to nominate for formal positions such as School Captains, House Captains and Arts and Sports Captains.
