Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

WESS Coaching Programs – Guided Reading & Feedback for Differentiated Learning

- Utilising collaborative and evidence-based decision making
- Focusing on consistent high quality practices throughout the school
- Providing high levels of professional support from skilled practitioners to enhance pedagogy
- Provisioning for external professional learning through the engagement of educational expertise
- Implementing a 'targeted teaching' approach to help identify individual learning needs and shape student learning experiences accordingly
